

Smart City Expo World Congress invites AWAAIT to share its experience on public transport fraud detection systems

CEO Xavier Arrufat and Chief Innovation Officer Toni Miranda will pitch on the use of Artificial Intelligence to detect and reduce fare evasion

Barcelona, November 10th, 2017 – AWAAIT will be sharing its experience on public transport fraud control systems at Smart City Expo World Congress 2017, taking place from November 14th to 16th. The event organisers have invited CEO Xavier Arrufat and Chief Innovation Officer Toni Miranda to give out pitches on the use of Artificial Intelligence to overcome fare evasion.

Arrufat will participate as speaker at “Smart Technologies for Rail Vehicles and Infrastructure 2” on Tuesday 14th at 5.50pm (Railway Hub) and at “Solutions to Make Cities Safer” on Wednesday 15th at 2.15pm (Agora). Miranda will give out a pitch to investors about AWAAIT’s business vision as part of the H2020 SME Instrument Business Acceleration Services on Thursday 16th at 3.15pm (Agora).
